28. Until the Master of the Order and his Council make a decision on the use of the post-nominal initials by members of the Lay Fraternity (*ACG 2019*, n. 267), should a professed member choose to use the post-nominal initials "O.P.," his or her name is to be preceded by a designation of Mr., Miss, Ms., Mrs., or Dr. (e.g., Mr. John Doe, O.P.) to differentiate members of the Lay Fraternities from religious.
